ABOUT ME

I am very passionate about learning new things as well as always improving on my existing knowledge and skills. Often when I learn new things I want to know everything about it.

At times I can be very methodical, however I have no issues adapting to new environments and situations.

I believe working with others or simply trading thought can be very enlightening, often leading to the solution to many problems.

WORK EXPERIENCE

Spårvägen Simförening (SSF), Stockholm — *Swimming Instructor*

NOVEMBER 2017 - PRESENT

Within the organization I have mostly been working with younger kids, teaching the basics and building the foundation towards learning to swim. As I've worked here I have learned four essential skills.

- ❖ **Leadership** – *Taking initiative and responsibility for lessons.*
- ❖ **Teamwork** – *Working with different people and learning from others.*
- ❖ **Punctuality** – *Always be on time with time to spare and plan for unexpected time-delays.*
- ❖ **Planning** – *Prepare and plan in advance to avoid drawing blanks.*

Swedish Armed Forces – Command and Control Regiment (LedR), Enköping — *Military Service*

AUGUST 2021 - JUNE 2022

My service within the military can be viewed as both a work experience and an education. I experienced and learned a lot of different skills, most notable being:

- ❖ **Teamwork and Communication** – *Working and cooperation with others and resolving disagreements. It's the collective before the individual. (You're not finished until everyone is.)*
- ❖ **Time management** – *Always be punctual and distribute your time accordingly.*
- ❖ **Work under difficult conditions** – *Performing well during stressful or bad situations and keeping a positive attitude.*

Military Grade: Yes – 3 – 3.

EDUCATION

Thoren Business School – Economics Program, Stockholm — *University Preparatory*

AUGUST 2018 - JUNE 2021

During my education I learned about personal finance as well as business finance. I decided to specialize in accounting. At graduation I received:

- ❖ **Business Diploma** – *An upper secondary school Business diploma*
- ❖ **Youth Entrepreneurship Certificate** – *A certificate for participating and completing a youth entrepreneurship.*
- ❖ **Internship Certificate** – *A certificate for completing two different Internships.*
- ❖ **Attendance Diploma** – *Diploma for highest attendance of my class.*

Swedish Armed Forces Technical School, Halmstad — *System Technician (SB/IS)*

DECEMBER 2021 - MARCH 2022

Swedish Armed Forces, Enköping — *Security Guard*

OCTOBER 2021 - OCTOBER 2021

SISU Idrottsutbildarna, Stockholm — *Basics of coaching*

NOVEMBER 2019 - DECEMBER 2019
